Frequently Asked Questions for Classes:

Do I stay at C. Barton McCann School of Art or commute every day?

Currently no housing is available at McCann so students will need to commute every day. There are several rentable apartments and cottages for students who are at least 18 years of age or who have parental consent to stay on site without supervision. For more information on these facilities please contact us at 814-667-2538.

Is lunch provided or do I have to bring my own?

Lunch is not provided so students will need to bring a packed lunch. There is a refrigerator and microwave available to store and heat up student lunches.

How big are the classes?

Class size ranges every year and from class to class but there are generally between ten and fifteen students per class. Classes with two teachers may have more students.

Can I get a scholarship?

A limited number of full and partial scholarships are available for students under 18. In order to apply you must send C. Barton McCann School of Art a letter indicating why you are requesting a scholarship and a bank statement.

Are all of the art supplies provided?

Yes. All of the art supplies are provided, however we encourage use of personal artist tools such as favorite paint brushes, carving tools, ceramic tools, etc. Specialty classes such as stained glass or bronze casting may require an additional materials fee.

Is there an additional charge for art supplies?

No. The cost of all art supplies has been factored into the price of tuition. Some classes may be subject to material fee such as Stained Glass and bronze.

How far in advance do I have to send in my application for classes?

Earlier is better but we accept application up to one week before the class you are applying for starts. All applications should have a deadline listed. Exceptions can be made, please call with any questions on deadlines 814-667-2538.

What if I enroll in a class but then want to withdraw?

Students have up to two weeks prior to the start date of their class to change their minds and receive a full refund. Withdrawing from a class anytime after that two week mark will result in no refund.

What if a class is canceled?

Classes start with a minimum of six students, if there are not enough participants for a class, it will be canceled and the students enrolled will receive an e-mail notification as well as a full refund. If canceled due to poor weather a make-up class will be scheduled. Most classes happen indoors and are not canceled due to weather.

Can I visit the school before applying for classes?

Yes. Visiting is encouraged and visits are available by appointment only. For an appointment call 814-667-2538 Monday– Friday any time between 9:00am and 4:00pm or e-mail

How do I get there?

Directions are available under the About tab on the top toolbar.

How is ceramic work fired?

Bisque firing (first firing) usually occurs during the session. Glaze firing (final firing) see below statement. All ceramic work becomes the property of C. Barton McCann School of Art if not removed from the studio within 30 days following the class.

What if I'm in a ceramic class and we don't have time to glaze our pottery?

Because lengths of ceramic studio classes may vary each class will be provided with a corresponding glaze date. If students are not able to attend, individual glaze sessions may be scheduled with the instructor based off of the availability of the studio, operations director schedule, and the instructor's schedule. Glazing is the responsibility of each individual student and can be done at other facilities if glazing sessions are not attended. Due to the safety of students, their work, and general flow of our open studio, students with unassigned glaze dates must take their unfinished work with them.

Is C. Barton McCann School of Art wheelchair accessible?

Yes.

Is there parking onsite?

Yes. There is parking for all students and instructors out front of the school.
